

BLUEGRASS & BBQ

3RD ANNUAL EVENT – SEPTEMBER 20, 2009

Charles Riley (left), President of the Fulton State Hospital Foundation and Jack Marshall selling 50/50 raffle tickets at the Bluegrass & BBQ Festival held on the front lawn of Fulton State Hospital.

The 3rd Annual Bluegrass & BBQ festival was another great success for the Foundation for the Advancement of the Fulton State Hospital. Once again, the Martin Family Band from Jefferson City, Missouri headlined the event along with Ironweed from Columbia, Missouri. Rounding out the band lineup were Summit Grass, Lindley Creek and CurreyKorn.

RAIN STAYED AWAY

After what appeared to be a soggy start to the day, Mother Nature cooperated by keeping the rain away for the event. Over 300 people enjoyed music, kettle corn, and delicious barbecue provided by the VFW Post 2657 and Knights of Columbus. Raffle prizes were given out throughout the day and one lucky winner walked away with some fast cash from the 50/50 raffle.

The Foundation wishes to thank all who once again made this year's event a huge success!
